You are the Captain of the Marine Royale Frigate l'Entreprenante. You are on patrol in the Mediterranean, mostly between Spain and Corsica.

There is always war. In 1705 the War of the Spanish Succession pits France and Spain (who support the Bourbon Philip, Duke of Anjou) against England, Austria, and the Dutch Republic (who supporting the Habsburg Archduke Charles of Austria).

You receive five shares of any prize moneys for captured enemies.

Contact: You have a contact in the court of Louis XIV; because of this your subordinates are more deferential than otherwise. You can make an opposed Charm roll to force obedience.

Duelist: Duelists are hot-blooded bravos, looking for a fight. They are quick to take offense, and they will always accept a challenge to a duel or fight, no matter the odds.

Shipboard Weapons: Includes daggers, cutlasses, and longswords. Depends heavily on cuts and slashes. Receive +1 bonus to hit when using slash attack.
