Daggers (2)

You are the Ship's Pilot of the Royal Navy Ship of the Line Triton. You are on patrol in the Mediterranean, mostly between Spain and Corsica, in this year of our Lord 1705 fighting France and Spain to place Archduke Charles of Austria, on the throne of Spain instead of the Bourbon Philip, Duke of Anjou.

As Chief Gunner you command the gun decks and appoint all of the Gunners and Gunner's Mates. You receive three shares of any prize moneys for captured enemies.

Duelist: Duelists are hot-blooded bravos, looking for a fight. They are quick to take offense, and they will always accept a challenge to a duel or fight, no matter the odds.

Shipboard Weapons: Includes daggers, cutlasses, and longswords. Depends heavily on cuts and slashes. Receive +1 bonus to hit when using slash attack.
