Daggers (2)

You are the Ship's Pilot of the Marine Royale Frigate l'Entreprenante. You are on patrol in the Mediterranean, mostly between Spain and Corsica, in this year of our Lord 1705 fighting England, Austria, and the Dutch Republic to place Philip, Duke of Anjou, on the throne of Spain instead of the Habsburg Archduke Charles of Austria.

As Ship's Pilot your duties are the navigation of the ship. You receive three shares of any prize moneys for captured enemies.

Sworn Vengeance: The character will participate in normal adventures; but if the opportunity presents itself, he will go out of his way to get the enemy. His enemy is a traitor who stole secrets whose loss was blamed on his father. He does not know the traitor's name, but he does know the traitor's English contact, a Captain Joseph Taylor.

Shipboard Weapons: Includes daggers, cutlasses, and longswords. Depends heavily on cuts and slashes. Receive +1 bonus to hit when using slash attack.
