You are the Ship's Pilot of the Royal Navy Ship of the Line Triton. You are on patrol in the Mediterranean, mostly between Spain and Corsica, in this year of our Lord 1705 fighting France and Spain to place Archduke Charles of Austria, on the throne of Spain instead of the Bourbon Philip, Duke of Anjou.

As Ship's Pilot your duties are the navigation of the ship. You receive three shares of any prize moneys for captured enemies.

Double: Unbeknownst to you, there is someone out there who looks a whole lot like you do.

Fanaticism: Dedicated to John Locke's principles of social contract theory and consent of the governed.
