Secret Identity: "If a Secret Identity is revealed, there will usually be someone who wants the character dead."

That's definitely true in your case. Your secret identity is Agustin le Fantôme, and you acquire your filthy lucre from blackmail, using information gained from clerical gossip about confessions. You are the general factotum of the Archbishop d'Orleans, and would very much like to keep this job for that reason. Among your victims are Le Comte Pierre Lupian, who had an affair with one of the King's mistresses.

As factotum to the Archbishop, you also ferry orders from the Archbishop to Édouard Rousseau, a member of L'épée du Grand Henri and aspirant to the King's Musketeers, who is in under some compulsion by the Archbishop.
