

## Cornmeal Hotcakes

1 cup flour	1-½ cup boiling water
2 cups cornmeal	2 eggs
1 tbsp baking powder	1-¾ cup milk
1-½ tsp salt	3 tbsp melted lard

Mix the flour, **one cup of cornmeal**, salt, and baking powder. Stir the boiling water into the **remaining cup cornmeal**. Add the eggs, beating well, then add milk, dry ingredients, and lard, mixing just enough to wet.

Drop by spoonfuls onto a hot, greased skillet or griddle and cook until golden brown on both sides.
