

## Fresh Blender Applesauce

3 medium apples

3 tbsp sugar

¼ cup water

¼ tsp cinnamon

2 tbsp lemon juice

Peel the apples haphazardly—leave some red peel on for color and texture. Core and cube them. (There will be about 18-20 ounces of chopped apple from three apples.) Put with water, lemon juice, sugar, and cinnamon in the blender container and blend until smooth.

If keeping for later, pour into a saucepan and bring just to a boil. Pour into a glass jar or bowl and store in the refrigerator.
